

## Info about courses

Dante Alighieri University Italian courses are available all year long and adopt a method of learning Italian based on communication and on learning Italian language due to European standards. Thanks to our courses you will be able to achieve the CEFR European certifications (A1, A2, B1, B2, C1, C2).

The courses include lectures, conversation, activities and direct contact with the environment and people.

We believe that the best way to learn Italian language is to live this experience.

To make your study experience even more effective, during the course, you can also participate in excursions, conferences and tours that will make you discover the beauty of Italian language and culture.

COURSES OF ITALIAN LANGUAGE AND CULTURE

## Reggio Calabria

**City of nymphs, fairies and heroes: land of spells and enchantments, interpreted by great D'Annunzio, celebrated by important English travelers of the nineteenth century**

Reggio Calabria powers its magic, suspended between fairytale and reality. The variety of landscapes, the greenery, the colours, the scents. The "Mediterranean" of Reggio Calabria appears with a surprising diversity of splendours, the seafront is a perfect synthesis. Reggio Calabria is a synonym of the sea, sun and unpolluted nature.

It's a unique place, capable to offer fascinating views and magical sensations in every season. Few other panoramas in the world can offer a combination of charming and rapidly changing landscapes. Walking along the seafront pampered by the sea breeze means to immerse into a fantastic scenery: intense colours of the sky and the sea and, in distance, smoking volcano Etna, gives unique and unforgettable view.
